**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer supporting broadband competition who is devoted to our independent internet provider. This company was started locally by a group of young local entrepreneurs. It has provided us with steady, personal and expert service now for many years. It has also provided a steady income for my son, who has made it his career. This company is currently invested in building new fiber networks to expand its availability and service. You should be encouraging such competition and vision, not threatening its survival with deregulated price hikes.

Thank you,

Anne Jacopetti
